Architects  
- Assistant to project architect

## **PROJECTS UNDERTAKEN: PLANNING AREAS:**

**EASTERN EXTENSION AREA: NAIROBI**  
Reports to Nairobi City Council on development strategy proposals for Eastern Extension Area of Nairobi, south of Nairobi and west of Outering Road. (Buru Buru housing estate)

A new town of 5,000 mortgage sale houses constructed in 5 phases for the Commonwealth Development Corporation (CDC). Design team comprised of town planners, architects, sociologists and economists.

**A PREVIEW INTO THE ENVIRONMENTAL CONSIDERATIONS / UNEP HEADQUARTERS, NAIROBI**  
A study to identify various environmental factors that will influence the ultimate physical form of the proposed United Nations Hq's environmental impact of locating the project at Gigiri, Nairobi, Kenya.

**DANDORA COMMUNITY DEVELOPMENT PROJECT PHASE 2, NAIROBI, KENYA**  
Site-and -service scheme comprising 5,000 housing units with infrastructure and community facilities. Construction in phases completed in 1981. Financed by IBRD and the Kenya Government under the first World Bank Urban Development Project.

**EGERTON COLLEGE MASTER PLAN, NJORO, KENYA**  
Development of a master plan for the expansion of Egerton College to accommodate academic, common, residential, research and experimental farming research facilities.

**LANGATA HOUSING**  
Master plan development, sub-division of 100 no. 1 acre residential plots, infrastructural services, roads, etc.

## **ADMINISTRATIVE, COMMERCIAL, PROTECTIVE SERVICE FACILITIES:**

**DEVELOPMENT FOR GEMA, NAIROBI**  
15-storey commercial office block, 3-storey podium for shopping, service station and underground parking. Project abandoned.

**HOUSING FINANCE COMPANY OF KENYA, NAIROBI**  
13-storey commercial office block, 3-storey podium for shopping and banking facilities, underground parking in the Nairobi city center.

**REINSURANCE PLAZA, NAIROBI FOR KENYA REINSURANCE CORPORATION**  
20-storey, 30,000 m.sq. mixed commercial development comprising offices, shops, restaurant, cafeteria, banking hall and underground parking for 120 cars.

**DAYSTAR COMMUNICATIONS, NAIROBI**  
3500 m.sq. of administration block, teaching facility and chapel as extension of existing complex.

11-storey, 9,000 m.sq. of commercial office block, shopping precinct and underground parking.

**NEW HEADQUARTERS BUILDING FOR AFRICAN AIRLINES ASSOCIATION, NAIROBI**  
2,000 m.sq. of office accommodation, conference hall and parking for 40 cars

**U.N. ACCOMMODATION IN NAIROBI HEADQUARTERS FOR UNITED NATIONS ENVIRONMENT PROGRAMME (UNEP):**

40,000 m.sq. of mixed accommodation on a 40 acre site at gigiri on the north western outskirts of Nairobi.

The development of the site forms an extension of the temporary UNEP headquarters designed and built in 1975 and incorporates extensive interior and external landscaping.

The accommodation itself comprises of extensive conference, library, communications, office, recreational and welfare facilities.

The project included the co-ordination of structural, mechanical, electrical, landscape, catering and energy consultants and has embraced investigations and integration of alternative energy systems and environmentally appropriate technologies.

The project forms a second stage in the provision of accommodation for the international agency begun in 1975 to design and supervise the construction of approximately 11,000 m.sq. of office accommodation within the period of less than 9 months.

It was achieved, including the landscaping of the spaces between the individual buildings, by means of rationalization of a standardized office planning and constructive system utilizing only locally available materials and technical skills.

The original development has been integrated into the second stage project.

Project construction commenced in 1982 and completed in 1984.

**UNITED NATIONS OFFICES IN NAIROBI**  
Design development stage 15,000 m.sq. 2-storey office accommodation building with ancillary facilities.
